

Harrison Caterers

Lessees requiring food and/or beverage services should work directly with the caterer of their choice. Lessees should then provide the caterer's name and contact information to Northark's Special Events Coordinator. Facility refreshment supplies such as ice, cups, containers, paper goods, tea and coffee are not provided by the College. Although Northark does not have an exclusive caterer, the Durand Center Kitchen is used exclusively by Jamie Akers d.b.a Jamie's Creative Catering. No other caterer shall have access to the Durand Center Kitchen.
